

**Louisiana State University AgCenter and the Southern Cover Crop Council Host
The 2023 Southern Cover Crop Conference
February 14-15th, 2023 in Baton Rouge LA**

This conference is a 2-day event to provide farmers, crop consultants, extension agents, and other professionals with the latest information on cover crop management. Based on previous conferences, we estimate that we will have 200 attendees.

Attendee Registration coming soon...

Format and Locations

February 14 - 15 TBD, Baton Rouge, LA

The first day and 1/3 of the 2nd day of the conference will include seminars and presentations that will cover topics related to maximizing benefits of cover cropping.

February 15 Central Research Station

The remainder of the second day of the conference will take place at the Central Research Station in Baton Rouge, LA. Field demonstrations will be used to showcase best management practices and new technology related to cover crops.
